

PROVIDENCE CLASSICAL SCHOOL

Williamsburg, Virginia

January 27, 2010

Dear Parents,

The board is always interested in finding qualified folks to serve PCS. One way we find those folks is through your recommendations. If you know someone who you want to recommend for board service, please let us know. You can send in recommendations at any time throughout the year, but this recommendation cycle will end on March 15, so if possible, please submit by then.

Please follow the recommendation process below:

1. Read the entire enclosure of Articles II through X of our school By-laws.
2. Prayerfully consider what person or persons possess the qualifications, abilities, and time to serve as a Providence Board Member.
NOTE: A recommended person need not be a parent or guardian or be Affiliated with PCS in any way.
3. Complete the enclosed form.
4. Send or hand deliver your recommendation(s) in a sealed envelope to the PCS office.
5. Please keep your recommendations confidential.
6. Please pray that the wisdom of God will guide the current Board in determining which recommended candidates to interview and which nominees to appoint to the board.

As always, if you have other suggestions/comments/questions for the board, please let us know. Great things are happening at PCS, and we thank you for making that possible!

Sincerely,

Joe Calkins

Joe Calkins
President of the School Board
