**Course Purpose:** The purpose of the study of history is to provide students with the ability to discern God's plan and hand in the events of history. Students will learn to use the tools of Invention to develop critical thinking skills. Normative questions, "should" questions, will be employed as appropriate. Students will better see God's authority over all of history by His ordering of events to display His glory. No coincidences, no accidents!

**Topics of Study:** History 6 (Western Civ.) will cover the First through the Fifteenth Century.

**Supplies Needed:**

- Textbook (as assigned)
- History section in 3-ring binder/loose-leaf paper (for handouts)
- Wide-ruled composition book for notes
- Blue or black ink pens and #2 pencils for in-class assignments

**Grading:** Homework 30% Assessments 35% Notebook 25% Participation 10%

**Late Work:** Standard for Dialectic School is work must be turned in the following day to receive a 70%

**Absences:** The student handbook clearly addresses absences and tardies from class.

All absences are disruptive to the educational process and every effort should be made to attend school regularly. *Dated notes stating the specific reason for the absence and signed by a parent or guardian will be required on the first day of return to school.*

If the number of absences (excused or unexcused) exceeds 15% of the number of days in the quarter, the Head of School will schedule a meeting with the student's parents to determine whether the student will receive credit for the quarter.

Including, but not limited to, illness, family emergencies, and deaths in the family will be considered excused absences. Family trips which cannot be taken at any other time, and which are approved by the Head of School (Extended Leave Form) at least one week in advance, will be considered excused absences. Any other absences will be considered unexcused. When extended absences are voluntary, teachers should be notified **at least one week beforehand and all schoolwork (including tests, quizzes, papers, projects, etc.) should be completed within the time specified by the teacher**. For work not completed by the teacher's designated time, a grade of zero will be entered in the grade book. Teachers may provide students with work in advance of an absence but are not required to do so. In general, we recommend that families coordinate travel schedules with the school calendar to avoid voluntary extended absences.

**Miscellaneous:** All three of my children graduated from Providence. The standards are high but can be met!
